19th PHONOSURGERY COURSE AND 5th NATIONAL WORKSHOP ON OFFICE BASED LARYNGOLOGY

Dear Colleagues,

We are pleased to invite you to the 19th Phonosurgery Course and 5th National Workshop on Office-Based Laryngology and Phonosurgery, to be held on 28th September 2025 at Central Court Hotel, Hyderabad.

Organized by Sri Sathya Sai Institute of ENT and Melody Voice Clinic, Guntur, Andhra Pradesh, This event marks a continuation of our commitment to advancing voice care. Our institute, a tertiary referral center for office-based Laryngology procedures since 2003, has treated over 10,000 patients across two decades of dedicated service.

We have consistently hosted Phonosurgery workshops in both Telugu-speaking states—alternating annually between Guntur (AP) and Hyderabad(TS).As the future of Phonosurgery evolves towards office-based techniques,this year’s workshop will place a special emphasis on Office-Based Laryngology and Phonosurgery.

The course is organized in collaboration with the India Chapter of the VoiceFoundation (USA), AOI Telangana, and Bristle Cone Hospital, Hyderabad.The scientific program spans foundational topics—such as establishing a voice clinic—to advanced office-based Phonosurgical procedures, offering a comprehensive educational experience for ENT professionals and voice specialists.

With your enthusiastic participation and continued support, we aim to make this event a landmark gathering in the field of Laryngology. We look forward to welcoming you.

Warm regards,

PROF.V.PHANIENDRAKUMAR
