### Background

Raja is a 14 year old boy suffering from Disproportionate Dwarfism. He lives with his mother, 2 elder brothers and 2 elder sisters. He was kidnapped by some people of a Circus Company from a Government school where he had been admitted by his parents.

### Intervention

The staff of Mass Welfare Society rescued him from the clutches of the Circus Company and after prolonged interaction with his parents, Raja began to attend the Preparatory School – Pragati Sangha run by Mass Welfare Society at Panchannagram (Eastern Metropolitan Bypass). After he completed the 1-year Bridge Course at the Centre, he was admitted into VIP Nagar High School in Class II

### Current Status

At present, Raja is studying in Class IV and the teachers of Pragati Sangha regularly provide him with back-up tuition support. Regular follow-ups with his parents and school teachers is done and allied educational materials are supplied to him to ensure his retention in the school. Both Raja and his parents take keen interest in his studies so as to build a bright future for him.
